The **Union of Jewish Women** is a multi-purpose, Non-Government Organisation that works both for the Jewish Community and for the General Community, irrespective of Race, Colour or Creed. Our many years of experience and work includes projects for:

- *The Old and Young
- *Crèches
- *Comfort Rooms
- *Scholarships and Educational Projects
- *The Under Privileged
- *Cancer and HIV/Aids patients
- *Hebrew Pre-primary Schools
- *The Mentally and Physically Disabled
- *Police Stations
- *Bursaries
- *Yad Sara

We actively assist where there are problems, including those relating to abuse against women and children. Our Women’s Resource Centre has programmes for all and also offers an individual counselling service. We believe in the unity of the Jewish people and we act as a mouthpiece for Jewish Women on matters affecting Them in this country. We accept that the Jewish Community is an integral part of the South African population and because we live here, we are just as responsible as others to help solve the country’s problems by sharing and caring.

We believe in the Power of Women and recognise the key and important role they play in today’s South Africa. In order to exercise power, numbers are important and your membership will add weight to our endeavours on behalf of Jewish Women.

Name a social need or interest ... The U.J.W. will respond!
